Rahul Ramkrishna Patil

Analyst/Software Engineer

Base Location: Mumbai

Email ID: rahul.d.patil@capgemini.com

Mobile No: +91 9987596680

Grade: A4

Strengths

Full Stack Developer

- Proficient in creating **Single page Web** Application in **React** with Authentication

- Hands on experience in developing web pages using **HTML5, CSS3, Object Oriented Java script.**

- Currently improving skills on itransform-platform.

- Having good knowledge on spring core, Spring MVC ,Spring boot.

Achievement

Agriculture Loan(Spring Project)

Created Agriculture loan application which is build to help customer to apply agriculture loans which is developed to automate all the activities of CRUD operation for loan ,documents and users through an application. We can create a system where we can manage all the information in a single place.

Note making system(React Project)

This application is built to help customer to keep their notes updated. User can save and delete the note and it is easy to use.

Education and certificates

Bachelor of Engineering
Mechanical : 2016-2020
